

Kentucky Bourbon Glasses

Kentucky Bourbon Trail

Designed by the Kentucky Bourbon Trail Organization, this glass features a wide opening that allows for one's mouth and nose to simultaneously capture the taste and aroma, thus enhancing the experience of sipping bourbons. Other features include proper weight and balance

for swirling, enough room for ice, fine rim, and excellent clarity. A gift sure to be appreciated by connoisseurs of fine bourbons and whiskeys. For authenticity, each is subtly etched with the Kentucky Bourbon Trail logo on the bottom. Dish-washer safe.
